IMPORTANT

Form 800, BETR Application. This application is for all property taxes paid during calendar year 2003. Because the property tax payments made in a single calendar year may be for taxes assessed during two property tax years, lines 5-8 are divided into two columns representing the two previous property tax years (April 1, 2002 and April 1, 2003).

Extensions to file a BETR claim for taxes paid in 2003 may be granted through March 4, 2005 for "good cause." Extensions for any reason may not be granted beyond March 4, 2005. See instructions on page 3.

Economic Development Incentive (EDI) Report. Applicants who received a refund of \$10,000 or more in calendar year 2003 who fail to file an acceptable EDI report with the Department of Economic and Community Development (DECD) within 180 days of filing a claim under the BETR program will forfeit the BETR reimbursement. EDI reports were mailed by DECD during May 2004 to businesses required to file the report. The reports are due August 1, 2004.

Gambling Equipment. For property tax years beginning on or after April 1, 2004, reimbursement is not allowed for property taxes paid on gambling machines or devices.

IMPORTANT INFORMATION

PROGRAM SUMMARY. The purpose of the Business Equipment Tax Reimbursement Program (BETR) is to encourage new capital investment in Maine. The program reimburses local property taxes paid on most qualified business property for up to 12 years. To qualify, qualified business property must have been **first** placed in service in Maine **after April 1, 1995.**

DEADLINE. The annual application must be filed with Maine Revenue Services between August 1, 2004 and January 3, 2005 for property taxes paid in the prior calendar year. For further instruction on how to file for reimbursement of property tax payments made in 2003 relating to assessments prior to April 1, 2002, call (207) 626-8475.

THINGS TO KNOW:

Applications are not complete if all required information is not provided or all schedules and notifications are not attached. To be considered complete, an application <u>must</u> include the following:

- ✓ A completed Form 800;
- ☑ A completed Form 801;
- ☑ A copy of the tax bill for eligible property; and
- Proof of payment (dated receipt or copy of <u>cancelled</u> check).

An incomplete application <u>cannot</u> be processed for reimbursement. **Applications incomplete on or after the due date will be denied.**

- Lessors that have received reimbursement under the BETR program for taxes assessed on or after April 1, 2002 must reimburse the lessee for any portion of that reimbursement relating to property taxes previously paid by the lessee.
- ✓ Only the entity or individual against whom the property tax assessment is made may apply for reimbursement.
- ✓ Form 800 cannot be photocopied. Only an original form may be submitted.
- ✓ A substitute Form 801 may be submitted if it includes all the
 information requested on the State Form 801. If all of the
 information is not provided, the substitute Form 801 will be
 rejected.

Businesses that do Not Qualify for BETR:

- Public Utilities;
- Certain energy facilities including most natural gas pipelines and property used to produce or transmit energy primarily for sale;
- Businesses that provide radio-paging services;
- Businesses that provide mobile telecommunications services;
- Cable television companies;
- Businesses that provide satellite-based direct television broadcast services;
- Businesses that provide multichannel, multi-point television distribution services; and
- Effective for assessments made on or after April 1, 2002, businesses that have <u>ceased all productive operations</u> on April 1 of the assessment year and for the 12-month period immediately preceding application for reimbursement. This rule does not apply if the owner can demonstrate a good faith effort to sell the property.

Property that does **Not** Qualify for BETR:

- Land or buildings;
- Property attached to a building that serves the building rather than the particular business activity;
- Office furniture or light fixtures placed in service after April 1, 1996:
- Land improvements that enhance the use of the land rather than the particular business activity;
- Property entitled to an exemption as a qualifying pollution abatement facility under 36 M.R.S.A. § 656(1)(E) unless the property was placed in service after the December 1 immediately preceding the property tax year for which reimbursement is requested and the property has not yet been certified for exemption; and
- Vehicles registered for on-road use on which an excise tax has been paid or on which a property tax has been applied as a credit against excise tax.

GENERAL INSTRUCTIONS

WHO MAY APPLY. Any business taxpayer assessed and paying the personal property tax on eligible business property first placed in service in Maine (either by the current owner or previous owner) after April 1, 1995 is entitled to a reimbursement of the property tax paid.

"Eligible property" means qualified business property first placed in service in Maine after April 1, 1995. Property first placed in service in Maine prior to April 2, 1995 (whether by current or previous owner) does not qualify for reimbursement.

Eligible property includes construction-in-progress commenced in the state after April 1, 1995, repair and replacement parts, improvements, and inventory parts. Construction-in-progress prior to April 2, 1995, that was previously eligible for reimbursement in 1996, remains eligible for reimbursement. Reimbursement may be made for up to 12 years.

"Qualified business property" means property used or held exclusively for a business purpose and subject to an allowance for depreciation or, in the case of construction-in-progress or inventory parts, would be subject to an allowance for depreciation when placed in service.

Qualified business property does not include land or buildings; however, it does include property affixed or attached to a building or other real estate if it is used to further the particular trade or business activity taking place at that location. It does not include components or attachments to a building if used primarily to serve the building (for example, standard heating, air conditioning, plumbing and lighting systems). It also does not include land improvements typically made to further the use of the land (for example, driveways, parking lots or fences).

The reimbursement is not allowed for office furniture (such as tables, chairs, desks, bookcases, filing cabinets and modular office partitions) lamps and lighting fixtures placed in service after April 1, 1996.

HIGH-TECHNOLOGY INVESTMENT INCOME TAX CREDIT. Machinery and equipment that is included in the investment credit base and claimed as an income tax credit for the high-technology investment tax credit (see 36 M.R.S.A. § 5219-M) are not eligible for BETR reimbursement in the same taxable year.

Reimbursement eligibility under the BETR program is currently limited to 12 years. The 12-year reimbursement period must be reduced by one year for each year that qualified equipment is included in the high-technology investment tax credit base under 36 M.R.S.A. § 5219-M.

COGENERATION FACILITIES. Cogeneration facilities will determine the amount of reimbursement based on the energy produced during the property tax year *preceding* the property tax year for which a claim is made.

ASSESSOR NOTIFICATION (Form 801). Before filing a request for reimbursement, the taxpayer must notify the assessor of the taxing jurisdiction that the taxpayer intends to claim reimbursement of any property tax paid on eligible business property. The notification must include an itemized list of the property the taxpayer believes to be eligible business property, the original cost, the date the property was placed in service, the number of years the property has been claimed under this program, and the state of origin for used property. Also, the taxpayer must request that the assessor of the taxing jurisdiction provide a statement identifying the assessed value and the associated tax of the eligible business property for which the taxpayer will be requesting reimbursement. Form 801 is used for this purpose. See instructions on page 4.

CONSOLIDATION SCHEDULE. If your business has eligible business property located in multiple municipalities, you are required to complete a consolidation schedule to request reimbursement. The consolidation schedule is on the reverse side of Form 800. See specific instructions on page 4 for filing the consolidation schedule. An electronic version of the consolidation schedule is now available in the form of an Excel spreadsheet file. To request to have the file emailed to you, contact Maine Revenue Services at income.tax@maine.gov.

EXTENSION TO FILE. An extension of time to file through March 4th may be granted for "good cause." An extension request must be made in writing to the address listed under "WHERE DO I FILE?". The request must state the date the taxes were paid and the reason an extension is being requested. By law, extensions may <u>not</u> be granted beyond March 4, 2005 for any reason.

ROUND TO WHOLE DOLLARS. You must round the money items on your application and consolidation schedules to whole dollars. Round down to the next lower dollar any amount less than 50 cents. Round up to the next higher dollar any amount 50 cents or greater.

WHERE DO I FILE? Mail your completed application along with the Assessor Notification (Form 801), copy of tax bill and proof of payment to:

Maine Revenue Services P.O. Box 9107 Augusta, ME 04332-9107

Two return address labels have been included for your convenience.

AMENDED APPLICATION. Amended applications are not accepted for any reason other than if the property tax is reduced or abated after a claim for reimbursement has been filed. An amended application for reimbursement must be filed within 60 days after receipt of the reduction or abatement.

Any reimbursement already paid for property tax that has been reduced or abated must be repaid to Maine Revenue Services with the amended application. Make your check payable to: Treasurer, State of Maine, and indicate your federal ID number or Social Security number on the face of the check.

If you fail to repay a refund within the 60-day period, Maine Revenue Services may issue an assessment for the balance due plus interest and penalties.

The interest rate is set annually by Maine Revenue Services and runs from the original reimbursement date to the date of repayment.

The penalty for failure to file the amended application is \$25 or 10% of the amount of the balance due, whichever is greater. The penalty for failure to pay the balance due is 1% of the liability for each month the liability is late, up to a maximum of 25%.

WHERE DO I GET FORMS? You may download forms from Maine Revenue Services' Web site at www.maine.gov/revenue. Forms are also available at municipal offices, or by calling (207) 624-7894.

CONSOLIDATION SCHEDULE

This schedule must be used by any applicant who has paid eligible business property tax in more than one municipality. Complete this schedule first; the information is needed to complete the front of Form 800. An electronic version of the consolidation schedule is now available in the form of an Excel spreadsheet file. To request to have the file emailed to you, contact Maine Revenue Services at income.tax@maine.gov.

Do not complete this schedule when making a claim for only one business location. A separate Form 801 must be completed for each municipality listed on the Consolidation Schedule.

For each municipality listed, enter in the 2002 row information relating to property taxes paid in 2003 for property taxes assessed on April 1, 2002. Enter in the 2003 row information relating to property taxes paid in 2003 for property taxes assessed on April 1, 2003.

Column A. Municipal Code. Enter the appropriate municipal code from the table on pages 15 and 16.

Column B. Original Cost. For each municipality listed, enter the total original cost of the eligible business property for which reimbursement is being requested as shown on the related Form 801, column E.

Column C. Assessed Value. The total Assessed Value must be entered on this line from the completed Assessor Notification schedule (Form 801, column F).

Column D. Property Tax Rate. Enter the applicable property tax rate for each municipality listed.

Column E. Requested Reimbursement. Enter the amount of tax paid in 2003 on eligible property. Submit proof of the property tax paid (receipt or cancelled check). For example, if 50% of the 2002 tax bill was paid in 2003, the requested reimbursement for that tax year would be 50% of "Assessed Tax" in Section 3 of Form 801 for 2002.

Column F. Total Reimbursement. Enter the total of the 2002 and 2003 requested reimbursement from column E.

Line 1. Page Total. Each consolidation page should be totaled for Columns B, C and F.

Line 2. Total From Other Schedules. Enter on this line the totals for columns B, C and F from all other Consolidation Schedule pages. Totals for line 2 should be entered only on the first page of all the Consolidation Schedules attached.

Line 3. Grand Total. In the case of multiple pages of the consolidation schedule, calculate the grand total for columns B, C and F on the first page only. For each column, the grand total is line 1 plus line 2.

When using the Consolidation Schedule, lines 5a, 5b, 6a, 6b, 8a and 8b of Form 800 must reflect the combined total from all of the assessor notifications (Forms 801) involved. Amounts for 2002 and 2003 on the Consolidation Schedule will need to be totaled separately in order to complete these lines on Form 800. Do not complete line 7.

ASSESSOR NOTIFICATION (FORM 801)

Section 1 and Section 2, Columns A through E are to be completed by the taxpayer. *Include only the items you believe to be eligible for reimbursement.* You may use your own schedule as a substitute for Form 801 as long as it provides <u>all</u> of the required information. **Section 2, column F and section 3 are to be completed by the <u>local assessor</u>.**

Section 1. Notice of Intent. In the first blank, enter the municipality name where the eligible business property is located, and in the second blank the entity or individual taxpayer name. Also enter the appropriate municipal code from the table on pages 15 and 16. You must indicate the name under which you do business at the local and state level. If different, enter both names.

Column C. Years Claimed. Enter the number of years for which you have received property tax reimbursement on this equipment under the BETR Program. If Maine is entered in Column B, you must include with your application documentation showing evidence of the date first placed in service in Maine (whether by current or previous owner). Property placed in service in Maine prior to April 2, 1995 does not qualify for reimbursement. Also add one year for each year the property has been included in the Investment Tax Credit base under 36 M.R.S.A. § 5219-E or the High-Technology Credit base under 36 M.R.S.A. § 5219-M.

Column E. Original Cost. Enter the original cost of the eligible business property.

Column F. The local tax assessor will complete this column by entering the assessed value of eligible business property.

Total. Enter on this line the total original cost for Column E. **The local tax assessor** will enter the total assessed value for all eligible business property claimed (column F).

Section 3. Property Tax Information. The local tax assessor will complete this section by indicating the property tax rate, assessed tax, and the tax assessment date.

NOTE: After the Assessor Notification has been returned to the applicant by the municipal assessor, the applicant or agent must sign, date, and fill in their social security or federal ID number on page 2 of the Assessor Notification form (see below Section 3 on Form 801).
